

ANDERS MUNK-NIELSEN

Field: Empirical IO.

Topics: Pharmaceutical pricing, car market, income dynamics.

PERSONAL DATA EDUCATION

Birth year: 1987
+45 2639 4121
Rolfesvej 20, 1.tv.
2000 Frederiksberg

2015 PhD, economics, University of Copenhagen (November)
Title: *Car Ownership, Type Choice and Use*
2012 MSc, economics, GPA: 11.8 (A). University of Copenhagen
2011 Exchange student, University of Melbourne
2010 BSc, economics, GPA: 10.9 (A). University of Copenhagen

AFFILIATIONS

2019- Assistant Professor, University of Copenhagen, Department of Economics
2017 Visiting Scholar, MIT, Department of Economics (Jan-Dec)
2015-18 Postdoc, University of Copenhagen
2013 Visiting PhD student, Yale University
2009-11 Research assistant, University of Copenhagen

GRANTS

2016 EPRN grant, "Spikes in generic drug prices: a necessary evil?"
DKK 274,397. Principal investigator.
2016-19 FSE grant, "Dynamic aspects of competition"
DKK 1,758,925. Principal investigator.
2016-19 Innovation Fund, "Urbanization, productivity and congestion"

TEACHING

2019 Microeconomics 1 (mathematical-economics)
2018 Microeconomics 1 (mathematical-economics)
2016 Advanced Microeconometrics
2015 Advanced Microeconometrics (course and seminar)
2012 Teaching assistant in Advanced Microeconometrics
2011 Teaching assistant in Advanced Microeconometrics

PUBLISHED PAPERS

- 2019** *A Tale of Two Tails: Commuting and the Fuel Price Response in Driving*. Journal of Urban Economics.
With: Kenneth Gillingham
Working paper versions: CESifo no. 6792, NBER no. 22937.
- 2018** *Identifying heterogeneous income profiles using covariances of income levels and future growth rates*, 2018. Journal of Economic Dynamics and Control, 94:24-42.
With: Jeppe Druedahl.
- 2016** *Tax Incentives and Borrowing*, 2016. *Economics Letters*, 145:162-164. [URL](#).
With: Sule Alan and Søren Leth-Petersen

UNDER REVIEW

- 2019** *Earnings Process Estimation with Regression Trees*. [URL](#).
With: Jeppe Druedahl. *Resubmitted*.
- 2019** *Equilibrium Trade in Automobile Markets*. [URL](#).
With: Ken Gillingham, Fedor Iskhakov, John Rust and Bertel Schjerning

CURRENT PROJECTS

- *Diesel Cars and Environmental Policy*, 2015. [URL](#).
- *A Dynamic Model of Vehicle Ownership, Type Choice, and Usage*, 2016. [URL](#).
With: Ken Gillingham, Fedor Iskhakov, John Rust and Bertel Schjerning.
- *Price Cycles and Market Fundamentals: Evidence from a Drug Procurement Mechanism*, 2017.
With: Frederik Plum Hauschultz
See: dissemination article written for the Danish Competition Authority: [URL](#).
Press: [finans.dk](#), [finans.dk](#), [dr.dk](#), [tv2.dk](#), [finans.dk](#), [Jyllands-posten](#), radio interview in [DR P1](#).
- *Markups on Dropdowns: Alphabetically Ordered Search and Drug Prices*, 2019. [URL](#).
With: Frederik Plum Hauschultz

WORK IN PROGRESS (preliminary titles)

- *Hospital Choice and Optimal Capacity with Queues for Medical Care*.
With: Daniel Waldinger
- *A discrete-continuous model of car portfolio choice*.
- *Spatial competition, entry and productivity among Norwegian pharmacies*.
With: Morten Sæthre.
- *Expectations and house prices in general equilibrium*.
With: Jeppe Druedahl.

HONOURS AND AWARDS

- 2018 Microeconomics 1 awarded teaching category A.
- 2014 Junior Researcher Paper Prize of the ITEA Conference on Transportation Economics for *Diesel Cars and Environmental Policy*
- 2014 SAS Analytics Prize for *Diesel Cars and Environmental Policy*
- 2014 Econometric Game, 1st place (see econometricgame.com)
- 2013 The Zeuthen Prize for *Diesel Cars and Environmental Policy*
- 2013 Econometric Game, 2nd place
- 2012 Econometric Game, 1st place
- 2011 The Nordea Prize for *Taxation as a Health Policy Instrument*

KNOWLEDGE DISSEMINATION

- 2019 Newspaper: “*Der findes en bedre løsning end referencepriser.*” Altinget: Debat, January 30.
- 2018 Modeling for the Danish Economic Council’s report on car taxation. Presentation about price cycles in the Ministry of Health.
- 2017 Publication: “Priscykler i Markedet for Receptpligtig Information Efter Patentudløb”. *Velfungerende markeder*, no. 11. Published by the Danish Competition Authority.
- 2017 Radio: Interview during “55 minutter” on Radio 24syv, August 28.
- 2015 Newspaper: *Bilejerne kan blive klimaets venner*. Altinget: Forskningsformidling December 16th.
- 2014 Newspaper: *Grøn Bilbeskatnings Mørke Bagside*. Op-ed in Børsen, October 24.
- 2014 Radio: Interview during “Detektor” on DR P1, October 16.
- 2014 Presentation at SASForum 2014, Copenhagen, on October 9.
- 2014 *Predicting poverty with incomplete data: tackling measurement-error with a pseudo copula approach*. *Aenorm*, vol. 22, nr. 83, pp. 25-30, 2014.
with Alessandro Martinello, Daniel Safai and Valeria Zhavaronkina
- 2012 *How does maternal smoking during pregnancy affect infants’ birthweight?* *Aenorm*, vol. 20, nr. 76, pp. 5-8, 2012.
with Line Elvstrøm Ekner, Andreas Noack Jensen, Anna Folke Larsen, and Rasmus Søndergaard Pedersen
- 2011 *Taxation as a Health Policy Instrument*. *Empiria – Journal for Students of Economics*, 1(1), 2011. Winner of the Nordea Prize. ISSN 2245-0238, URL ssrn.com/abstract=1962113.
with Jesper Riis-Vestergaard Sørensen

OTHER PROFESSIONAL ACTIVITIES

- 2017 Developing and estimating a car choice and use model for the *Danish Economic Councils* (DØRS) to analyze environmental car tax reforms and estimate a marginal abatement cost curve.
- 2017- Scientific advisor for the research project: *Driving towards a low-emission society*, funded by the Norwegian Research Council.

CONFERENCES, WORKSHOPS AND SEMINARS

- 2019 Frisch Institute, Oslo
NYU Stern
- 2018 ITEA conference, Hong Kong
EARIE conference, Athens

CURRICULUM VITAE
MAY 2019

- ZEW, Mannheim, Germany
- 2017** IO lunch, MIT, Boston
URBAN conference, U. of Copenhagen
Applied micro seminar, Boston College
DARA seminar, Colorado State University
DAEiNA conference, Lexington VA
International Industrial Organization Conference, Boston
IO lunch, MIT, Boston
- 2016** Danish Competition and Consumer Authority
Frisch Institute, Oslo
EPRN conference, Copenhagen,
SITE Summer Workshop, Stanford, Palo Alto
Aarhus University
Copenhagen Business School
- 2015** Norwegian School of Economics, Bergen
American Economic Association meetings, Boston
Environmental economics seminar, Yale U.
- 2014** Zeuthen Workshop, U. of Copenhagen
Symposium: Re-considering Motor Fuel Taxes, KTH, Stockholm
Econometric Society European Meeting, TSE, Toulouse
1st annual conference for the IAAE, Queen Mary U. of London
5th Microeconomic Network Meeting, U. of Copenhagen
Kuhmo-Nectar Conference of the ITEA, TSE, Toulouse
Annual Meeting for the Danish Econometric Society, Sandbjerg Gods
Zurich Initiative for Computational Economics, U. of Zurich
IRUC Workshop, U. of Copenhagen
- 2013** CAM Research Workshop, U. of Copenhagen.
Transport Economics Seminar, DTU, Copenhagen
IRUC Research Workshop, U. of Copenhagen
