

Written Exam Economics Winter 2019-20

**The Danish Welfare Model**  
Final Exam

10 – 15 February 2020

This exam question consists of 2 pages in total  
Answers only in English.

**A take-home exam paper cannot exceed 10 pages – and one page is defined as 2400 keystrokes**

***The paper must be uploaded as one PDF document. The PDF document must be named with exam number only (e.g. '1234.pdf') and uploaded to Digital Exam.***

**Be careful not to cheat at exams!**

Exam cheating is for example if you:

- Copy other people's texts without making use of quotation marks and source referencing, so that it may appear to be your own text
- Use the ideas or thoughts of others without making use of source referencing, so it may appear to be your own idea or your thoughts
- Reuse parts of a written paper that you have previously submitted and for which you have received a pass grade without making use of quotation marks or source references (self-plagiarism)
- Receive help from others in contrary to the rules laid down in part 4.12 of the Faculty of Social Science's common part of the curriculum on cooperation/sparring

You can read more about the rules on exam cheating on your Study Site and in part 4.12 of the Faculty of Social Science's common part of the curriculum.

**Exam cheating is always sanctioned by a written warning and expulsion from the exam in question. In most cases, the student will also be expelled from the University for one semester.**

## **The Danish Welfare Model**

**February 2020**

### **Exam question 1:**

Based on the book "Social welfare the Danish Model 2011" we request an analysis on:

Differences and similarities between the Danish universal model and the continental model, including the involvement of the five financial sources from "The Social Contract between the Generations, 2008"

### **Exam question 2:**

Discuss the relationship between the Danish Social Welfare model and the Danish business structure.

*Question 1 is the main question and question 2 is the sub-question. The approximate weights of the answers in the assessment will be 2/3 of question 1 and 1/3 of question 2. Both questions must be answered.*
